"Hail to Kremlin High School,

Great is her fame,

Her team is fighting

To uphold her name.

Forever true and loyal

See her colors flying

High above the rest,

Red and white will prove

Oh, K. H. S. is best."

# Dedication

We, the staff of this, the 1953 issue of the BRONC, dedicate this annual to "Treasured Wealth."

"You are richer today than you were yesterday- if you have laughed often, given something and forgiven more, made a new friend, thought more in terms of thyself than of myself and have looked for the best in others and given others the best in you."

# Administration

To be sure, the school is the chief institution organized expressly for educational purposes. The need to learn is the primary need of mankind. Without sound education people can neither get nor keep the things that make civilization. The free public school is basic.

School is, in a sense similar to a game. You have competition from every angle. Competition in classwork, in music, plays, and athletic contests. A few will win the high honors, others never win. But, remember that old axiom, "It isn't whether you win or lose, but how you play the game."

To start off a prosperous 1952-53 school year, eight Sophomores enrolled in Kremlin High School. During the third six weeks period, Tommy Curry, formerly of Lahoma, became a welcome member of the smallest class in high school. This class lost Glenda Sowle at the end of the first semester. Starting the second semester they lost their class sponsor, Mrs. Hughes, but they were fortunate enough to have Mrs. Bradley take her place.

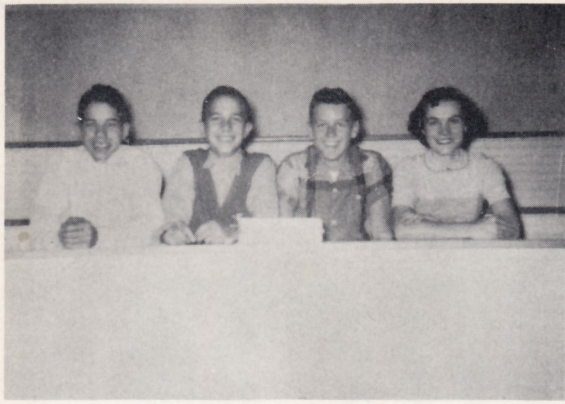

The class chose Donna Fortney for their Annual Queen candidate. Those who participated in athletics were: Lois Long, Patsy Hays, Sue Johnson, Donna Fortney, Glenda Sowle, Tommy Devery and Billy Christiansen. Patsy Hays, Laveta Frey and Tommy Devery were active members of the 4-H Club. Sue Johnson, Laveta Frey, Glenda Sowle and Donna Fortney were in Glee Club.

The Christmas party was held on December 18 at the Don-Faul Cafeteria. The class enjoyed a dinner, exchanged gifts and then went to the Esquire Theater.

The next game was with North Enid and although the boys won over the North Enid boys by a large score, it was a good experience for them all. Games were played with Hunter and Billings with the girls losing both games and the boys winning both.
