BRONC

# THE BRONC '64

Kremlin Public School

Kremlin, Oklahoma

## Foreword

As our high school years draw to a close, we look back with fond regret upon these wonderful moments as students of Kremlin High School. This annual, *The Bronc*, should serve as a guidebook to "old times."

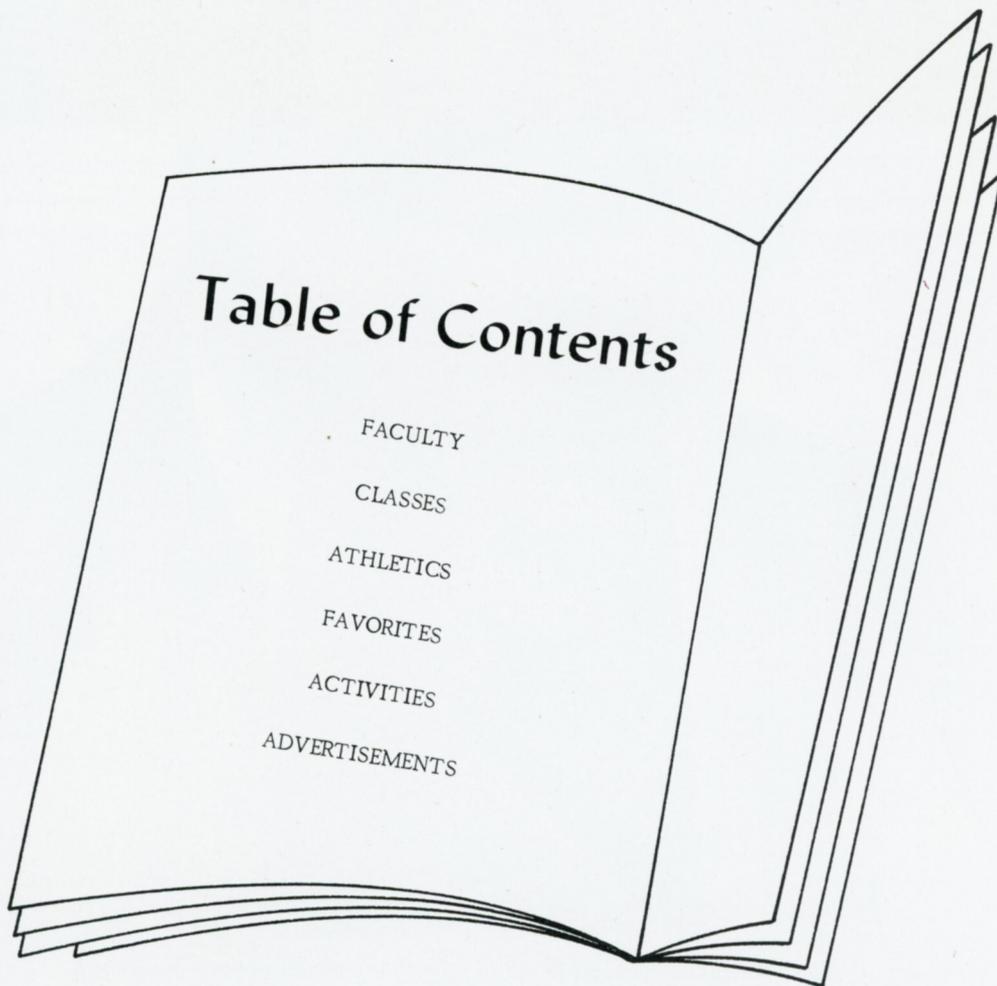

We hope we have included some interesting memories for each of you and that you will enjoy reading this yearbook as much as we have enjoyed compiling it.

# Editor's Message

This is your 1963-64 BRONC yearbook. The Annual Staff hopes that as you turn the pages of this book, the accomplishments, expectation, triumphs, and all other events which have painted the picture of this school year, have been faithfully portrayed. We have worked this year with one goal in mind, "to turn out the best BRONC yet." As editor this year, I want to take this opportunity to thank everyone who worked so long and hard to make this book a reality.

*Helen Wuerflein*

Editor

My congratulations to you, The Editor of the 1964 Bronc, and to those of your Staff who have worked many hours in putting together a beautiful book for us all to enjoy through the years.

*Claude A. Gist*
