Editor's Message

We, the annual staff have tried to piece together a brief history of your school here at Kremlin.

We hope the contents of this book will bring back many fond memories each time you turn its pages.

I would like to thank the members of the annual staff and Mr. Gordon for all the work they have put into this book. I know this book would have been impossible without their help.

Superintendent's Message

I appreciate this opportunity to thank the Annual Staff for their untiring efforts in the assembly and production of the 1966 BRONC.

I am sure without their efforts the progress of school in the year 1965-1966 would have been void in the annals of history.

I wish to thank the many fine advertisers for their loyal support and congratulate the Staff for a job well done.
