DEDICATION

The annual staff wishes to dedicate the 1967 BRONC to:

MRS. ALBERTA LOUNSBURY

Garfield County Teacher of the Year

Editor's Message

This annual is not a complete record of your high school days, but we hope that some where among the pages we have captured a scene which will bring back fond and heartwarming memories.

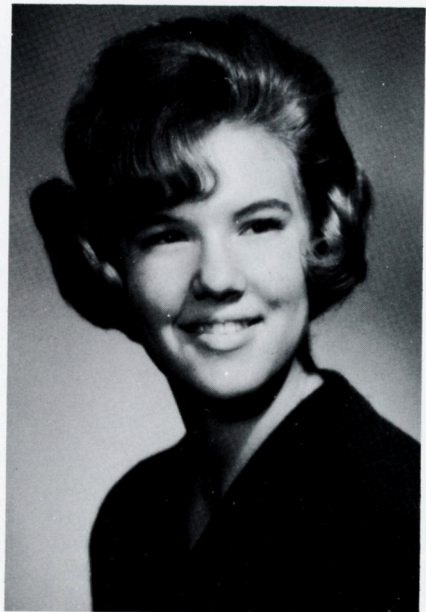

I would like to thank the 1966-67 BRONC annual staff for their help in bringing you what we hope is the best annual yet.

The staff would especially like to express appreciation to our sponsor, Mrs. Pat Dennis, for her many long hours and trying experiences in helping prepare this annual.

Respectfully yours,

Linda Tefft

LINDA TEFFT, EDITOR

Foreword

It is the wish of the BRONC staff that this book, a storehouse of precious memories, may serve as a tie that binds and emphasizes many golden moments of your school days spent at Kremlin.

It is not today that you will appreciate the BRONC. Tomorrow, when it is not so easy to think back on 1967, you will treasure the memories this book has stored for you.

Superintendent's Message

It is with mixed emotions that I start this message. This could very easily be the last edition of the BRONC as we know it. We have tried to make it as useful as possible in an historical sense. This could easily be the first of many editions to come, finer, larger, showing growth, vitality and exuberance for the future. Only time will tell.

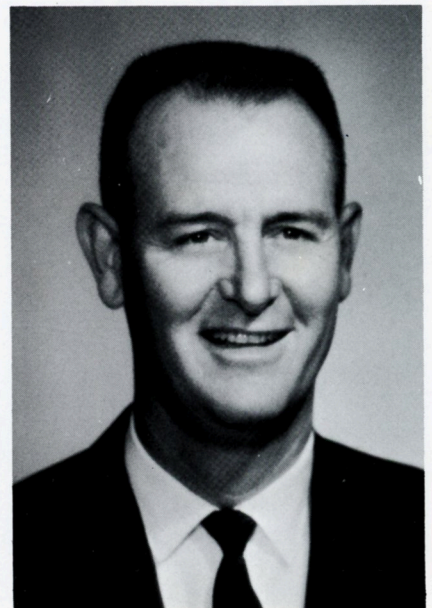

I wish to express my sincere gratitude to Mrs. Dennis and her hard-working staff for the competent manner with which they dispatch the difficult and near impossible. The school pride, spirit, and desire to accomplish will carry its graduates well along the pathway of success.

In these uncertain times may the future hold only those experiences that are pre-requisites for success.

Very truly yours,

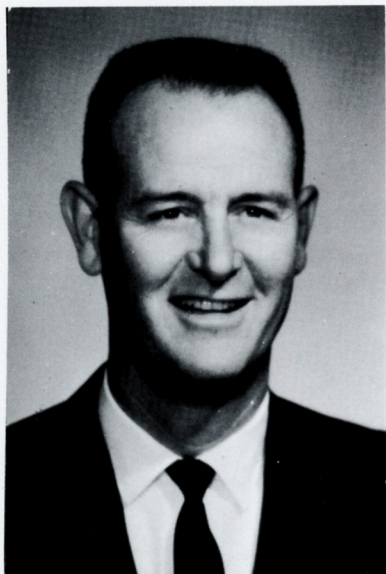

Jack G. Gordon
