PERIODICAL

Dear Myron,  
 Well, we made it this far. Think we can stand one more year of this? My 11 years of school just wouldn't be the same without our fun teacher - Wendell Walker? I'll never forget those termite and Homer, & Alfred and all our other class pastimes. And don't forget our funeral at noon. We really gave Walker a bad time, didn't we? Oh well, it's all bad memories now. (sigh) Best of luck in whatever you do. (I have to quit or I'll start crying. I'll fill the page when we're seniors.)  
 Best of Luck to you (and Mitzi),  
 Loves  
 Janice

# THE BRONC

'68

Kremlin Public School

Kremlin, Oklahoma

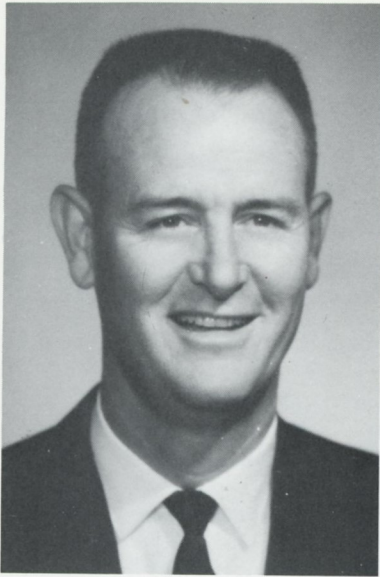

We, the annual staff, wish to dedicate the 1968 BRONC  
to the memory of

## **Fred V. Randolph**

who served as a Kremlin School Board member for thirteen  
years and worked tirelessly for improved facilities to better  
our education.

## Superintendent's Message

Each year a new group is challenged to record within the pages of the BRONC those noteworthy events and individuals in such a way that those perusing its fact filled pages will recall with warm affection that wonderful school year. I would like to compliment the staff of this year's BRONC on its initiative, confidence, and achievement of purpose.

A school must rely on its public for support. In expressing my thanks to the BRONC staff I am expressing our thanks to the advertisers and patrons that have made the annual possible.

We are fortunate that our environment includes all those necessities for success except desire and attitude. May this volume serve as an answer to the question "when", in future years, of each person that came our way and found the environment satisfactory, the academic climate challenging, and a firm foundation for their ladder of success.

*Jack G. Gordon*

## School Board

Mr. R. G. Gray, President; Mr. J. C. Mitchell, member; Mr. Jake Thesman, Clerk; Mr. George Bese, V.-President; Mr. George Bittle, member.

# FOREWORD

This was the year that was, and you helped make it that way. Each of you contributed a memorable moment to the pageant of this school year.

We broke from the starting gate prematurely and started again after the elementary addition had been completed. It was hard not to be envious of the carpeted floors and air-conditioned rooms.

Out in the 100-yard-long corral we bucked around and finally bull-dogged our first winning football season. We even managed to hog-tie creditable records in other sports and put a rope on that ever-elusive SPIRIT.

As we turned into the home-stretch, we became aware that our quest for knowledge and mastery of all situations rivalled those of Diogenes, Don Quixote and Captain Ahab. We felt winded but victorious when we crossed the finish line.

Yes, we have finished the race and battled for a place in the winner's circle, and we can offer advice and criticism. But we can sum it all up and credit it all to experience—in the classroom and in the sports arena, on the stage and behind the scenes.

This WAS the year that was!

*You helped  
to make it that way!*  
*By Mrs. Gillespie*

## Editor's Message

The 1967-1968 school year has slowly slipped into history, and we, the BRONC annual staff, hope this yearbook will serve as a pleasant reminder of all that happened.

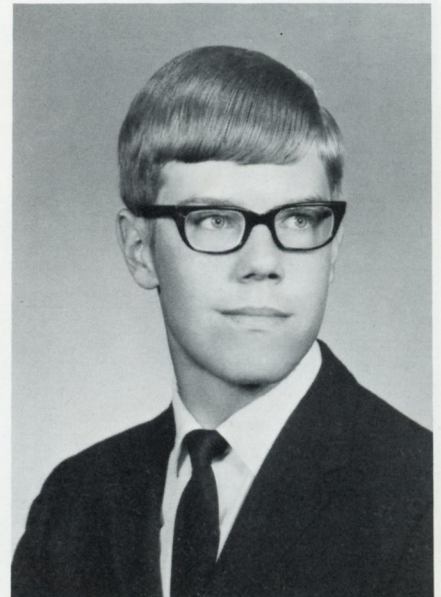

I would like to take this opportunity to thank the entire BRONC staff and our sponsor, Mr. Gordon, for helping to make this book a great storehouse of memories.

To the underclassmen, we express a hope that this year's BRONC will show the beginning of a new time of progress. May the future be bright for the Kremlin Broncs.

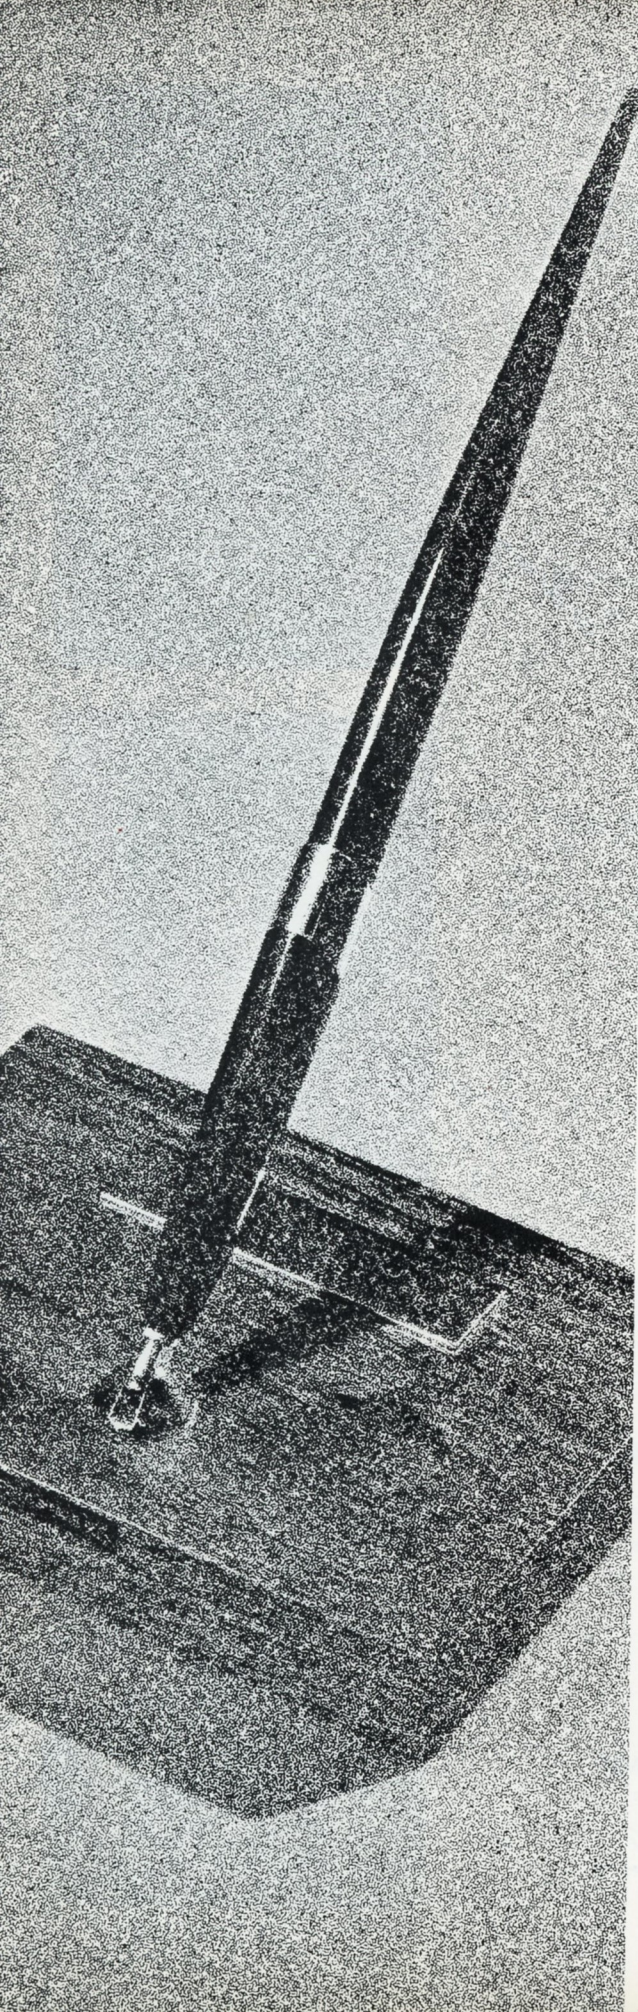

Sincerely yours,

*Bobby Thesman*

## Senior 4-H Club

The Kremlin Senior 4-H Club wishes to extend its congratulations to Miss Jolita Thesman, a state winner in the Photography project, and recipient of an all-expenses paid trip to Chicago for National 4-H Club Congress. She is just one of many winners and champions produced by the Kremlin Senior 4-H Club, thanks to the efforts of our leader, Mrs. J.V. Thesman.

Camp is only one of the many activities enjoyed by the Kremlin Junior 4-H Club members. The Junior Club, with Mrs. Bill Toews as its leader, has also had its share of win-ings.

Terry and Timmy Thesman, together with Myron Toews and Bobby Thesman of the Senior Club, were members of the first place livestock judging team at the County Fair.

All the other members did well in the various contests, and the experience they gained will help them to better carry out the 4-H motto, "To Make The Best Better."

Dear Myron,  
 You're a mess! you have a marvelous  
 sense of humor, a great personality, & plenty  
 of brain power (when you use it!).  
 I hope your senior year is a gas -  
 wish I could be here to see it. But  
 here's to Puerto Rico & all the fun  
 runners! Hello if you're ever in the  
 neighborhood - okay?

Mrs. Jimmiepie

The Bronc Pep Club has worked hard to cheer all our teams on to victory this past year. Their support and encouragement have helped the teams to have winning seasons in all sports. Thanks are in order to Mrs. Peggy Guthrie, our sponsor; our mascot, Renee Harris, daughter of Coach and Mrs. Jim Harris; and our officers—Jane Estill, President; Lennie Fox, Vice-President; Patti Tefft, Secretary; Toni Shaklee, Reporter.

Here's hoping for another successful year at Kremlin High!

## High School Football Team

Kremlin High School's football team suffered through two terrible seasons to come up with its first winning season since starting eight-man football. The Broncs finished with 6 wins and 3 losses, and ranked second in their half of the Wheat Belt Conference with a 5 and 1 record. We are proud to say we placed two members of the team on the All-Conference team—Doug Toews and Barry Bowden—and three others received honorable mention—Leon Brewer, Tim Briggs, and Robert Roads.

## Girl's Basketball Team

Kremlin High School girls are on their way to another winning season with an 11 and 10 record. They hope to improve this in the district tournament. The girls won two trophies this year. The first was a consolation trophy from the Cleo Springs Invitational Tournament. Their second trophy was a surprise to everyone. After being rated at the bottom of the list, they came on to win the second place trophy in the Skeltur Conference Tournament.

Myron,  
I sure have enjoyed  
these last three years we had  
together. It sure was alot of fun  
in Chemistry and that eight hour  
study hall. I am sure you will  
do all right in your future years of  
school but good luck anyway.

Leon Bruner

Dearest Myron!

You've always teased  
me & I'll always remember  
you that way! That's good!  
Lots of luck & always!
